A Fundraiser for Veteran Wellness

Benefits:

Proceeds from this special evening help fund the installation of immersive wellness systems featuring breathtaking nature films in veteran facilities throughout Wisconsin. These systems are installed in lobbies, waiting areas, and treatment spaces—including chemotherapy infusion rooms—to create calming, restorative environments for Veterans.

Giving Mac works with the VA hospital in Minneapolis to help bring these wellness systems to VA clinics across Wisconsin. Proceeds from last year's fundraiser supported the installation at the VA Clinic in Chippewa Falls. This year, our primary focus is the Rice Lake VA Clinic, along with other veteran facilities throughout the state.
